

**Thomas L. Leatherman**  
**Professor, Department of Anthropology**  
**University of Massachusetts, Amherst, Massachusetts 01003**  
**University of South Carolina, Columbia, South Carolina 29208**

**EDUCATION**

Ph.D. 1987 Anthropology. University of Massachusetts, Amherst.  
M.A. 1978 Anthropology. University of Arkansas, Fayetteville.  
B.A. 1975 Anthropology (Honors), Tulane University, New Orleans, LA

**PROFESSIONAL EMPLOYMENT IN ANTHROPOLOGY**

2010 – present Professor, Department of Anthropology, University of Massachusetts  
2000 – present Professor, Department of Anthropology, University of South Carolina  
2000 - 2008 Professor and Chair. Department of Anthropology, University of South Carolina.  
1993 - 2000 Associate Professor, Department of Anthropology, University of South Carolina.  
1987 - 1993 Assistant Professor. Department of Anthropology, University of South Carolina.  
1982 - Lecturer. Department of Anthropology, University of Massachusetts, Boston.  
1980 - 1983. Instructor. Continuing Education Program. University of Massachusetts, Amherst.  
1980 - Instructor. Rhetoric Program. University of Massachusetts, Amherst.  
1979 - Lecturer. Department of Anthropology, University of Arkansas, Fayetteville.  
1979 - Project Archeologist. Arkansas Archeological Survey.  
1978 - Instructor. Honors Program, University of Arkansas, Fayetteville

**RESEARCH AND TEACHING INTERESTS**

Biocultural theory at intersections of political economy and human adaptability; medical and nutritional anthropology; political ecology of health and nutrition; social inequality and human biology; armed conflict, violence, and health; Latin America (Andes, Yucatan), Southeast US.

**COURSES TAUGHT**

*University of Massachusetts:* Biology of Poverty, Political Ecology of Health, Nutritional Anthropology, Medical Anthropology, Introduction to Graduate School

*University of South Carolina:* Biocultural Adaptation, Medical Anthropology, Nutritional Anthropology, Food and Culture, Anthropological Inquiry (4-field theory), Anthropological Connections (co-taught course on intra-disciplinary scholarship), Ethics and Anthropology, Thesis Skills Seminar, Problem Solving in Anthropology (co-taught), Becoming Human (Human Evolution); Human Variation; Introduction to Biological Anthropology and Archeology.
