MORRIS COUNTY

"Morris County" is three short films tied together thematically into a feature. I produced this film from the Fall of 2007 to the Summer of 2008. It was shot in south Jersey for a total of 14 days.

Post-production was completed in the Fall of 2008 and the film has played in nine national and international film festivals. "Morris County" premiered at the 11th Annual San Francisco Independent Film Festival, February 2009; Boston Underground Film Festival, March 2009; Philadelphia Cinefest Film Festival, March 2009; Seattle True Independent Film Festival, June 2009; Arizona Underground Film Festival, November 2009; Philadelphia Film and Music Festival, September 2010; All Things Horror, Boston, MA, October 2010; Rio Fantastique, July 2011; Black Rock City Film Festival (Burning Man), NV, October 2011.

Our domestic distributor was Wonderphil and in 2012 we will be self-distributing the film via internet streaming and DVD.
