## UNHOLY

"Unholy" is a horror film concerning a Nazi secret and its effect on a modern day family. I produced this feature film in Queens, NY and North New Jersey in January and February 2006. Filming took place for a total of 20 days. The film stars Nicholas Brendon (Xander of TV's "Buffy the Vampire Killer") and Adrienne Barbeau ("The Fog" and TV's "Maude").

The film was completed in the Fall of 2007 and was released worldwide on DVD by Anchor Bay Releasing.
