Department of Physical Therapy, University of the Pacific, August-December 2014  
Advised student: Chris Wolfinger
10. Independent Study Advisor (PTHR 391)  
“Manual of procedures for the Adult Myopathy Assessment Tool”  
Department of Physical Therapy, University of the Pacific, January-March 2014  
Advised students: Kristen Damazio, Alexandra Gasiorowski, Alexandra Madrid
11. Independent Study Advisor (PTHR 391)  
“Association between heart rate and rating of perceived exertion in individuals with chronic fatigue syndrome”  
Department of Physical Therapy, University of the Pacific, January-March 2014  
Advised student: Ben Larson

12. Capstone Project Advisor  
"Application of clinical practice guidelines in the management of patients with ankle sprains"  
Kaiser Permanente Fellowship in Advanced Orthopaedic Manual Physical Therapy, June 2013  
May 2014  
Advised fellow: Justin Fischer, PT, DPT
13. Capstone Project Advisor  
"Minimum detectable change of the Knee Outcome Survey in individuals following anterior  
cruciate ligament reconstruction"  
Kaiser Permanente Fellowship in Advanced Orthopaedic Manual Physical Therapy, June 2013  
May 2014  
Advised fellow: Cindy Hon, PT, DPT, OCS, CSCS
14. Independent Study Advisor (PTHR 391)  
"Effectiveness of exercise-based programs for primary prevention of occupational injuries"  
Department of Physical Therapy, University of the Pacific, September 2013-present  
Advised student: Brianna Hitman
15. Independent Study Advisor (PTHR 391)  
"Reproducibility of cardiopulmonary exercise testing in individuals with fatiguing health  
conditions"  
Department of Physical Therapy, University of the Pacific, September 2013-present  
Advised student: Ben Larson
16. Independent Study Advisor (PTHR 391)  
"Development of a reliability study for clinical tests of trunk muscle function"  
Department of Physical Therapy, University of the Pacific, January 2013-March 2013  
Advised student: Abigail Schulz
17. Independent Study Advisor (PTHR 391)  
"Reliability of pectoralis minor length testing"  
Department of Physical Therapy, University of the Pacific, January 2013-March 2013  
Advised student: Bart Taylor
18. Independent Study Advisor (PTHR 391)  
"Physical therapist interventions for post-traumatic stress disorder: a critical synthesis of the  
literature"  
Department of Physical Therapy, University of the Pacific, August 2012-December 2012  
Advised student: Jessica Tribbey
19. Independent Study Advisor (PTHR 391)  
"Validity and reliability of clinical tests for trunk muscle function"  
Department of Physical Therapy, University of the Pacific, August 2012-December 2012  
Advised student: Abigail Schulz
20. Master's Thesis Committee External Member  
"Descriptive and experimental analyses of variables maintaining moderate-to-vigorous physical  
activity in preschool children"  
Department of Psychology, University of the Pacific, October 2011-June 2011  
Advised student: Allison Morley
21. Master's Thesis Committee External Member  
"Bilateral arm training with rhythmic auditory cuing: music therapy meets rehabilitation"  
Department of Music, University of the Pacific, September-May 2010  
Advised student: Jennifer Hastings

22. Master's Thesis Committee External Member  
"Self efficacy and rehabilitation adherence," University of the Pacific, Department of Sport Sciences  
February 2009-May 2010  
Advised student: Jennifer Loewe

## Teaching Grants & Contracts

Mattern-Baxter K, **Davenport TE** (2010). "FLIP Cameras in the Classroom." Sponsored by the Committee for Academic and Professional Development, University of the Pacific, Stockton, CA. Amount: \$3,334.
