Todor D. Todorov
Mathematics Department
California Polytechnic State University
San Luis Obispo, 1 Grand Ave.
California 93407, USA

Curriculum Vitae

1. **Educational Preparation:** Ph.D. in Mathematical Physics from University of Sofia - Bulgarian Academy of Sciences, 1982. Ph.D. Thesis: *Asymptotic Functions, Nonstandard Analysis and Multiplication of Schwartz Distributions: Generalized Eigen-States in Quantum Mechanics* (Supervisor: Academician Professor Christo Christov †).

2. **Employment:**

   - **1982-1986:** Research Fellow at the Bulgarian Academy of Sciences, Department of Mathematical Physics and Elementary Particles of the Bulgarian Academy of Sciences, Sofia, Bulgaria.

   - **1986-1987:** Visiting Research Fellow at the International Center for Theoretical Physics, Trieste, Italy.

   - **1987-88:** Visiting Research Fellow at the Functional Analysis Department of International School for Advanced Studies, Trieste, (SISSA), Italy.

   - **1989-90:** Visiting Associate Professor at the Mathematics Department of University of California, Santa Barbara.

   - **1990-2002:** Lecturer at the Mathematics Department of California Polytechnic State University, San Luis Obispo.

   - **Since September 2003:** A tenure-track position of Assistant Professor of Mathematics Department of California Polytechnic State University, San Luis Obispo.

   - **Since September 2009:** A tenure Associate Professor of Mathematics Department of California Polytechnic State University, San Luis Obispo.

   - **Since September 2014:** A Full Professor of Mathematics in Department of California Polytechnic State University, San Luis Obispo.
