New Delhi, 14-20 May 2017

The Centre and the States spend over 174 crore in a year. Government's data on the number of jobs created per Rs 100 crore of expenditure is rarest of rare for one may not be able to map the number of jobs created per rupee spent.

There's No Vacancy for the Opposition till 2024

RACOURTE

BUNDU DALMA

Social and political commentator of national
bility of Lokamayak Pathmanan

Three years into the Modi government, it might be the right time for a look at the migrant labourers, even if the centrist, dovish, and liberal pressure to do so has not yet taken hold. The Centre and the States spend over 174 crore in a year. Government's data on the number of jobs created per Rs 100 crore of expenditure is rarest of rare for one may not be able to map the number of jobs created per rupee spent.

There's No Vacancy for the Opposition till 2024
